Perhaps a Little Harsh.

In the article published in the DAILY NEWS of the 11th, stating that Walter W. Rush had been arrested for wife desertion, we probably rendered judgement on the case prematurely. Mr. Rush waived preliminary hearing, and as his case will not come up for some time yet, his side of the story may change the color of the case as it may now appear on its face. The DAILY NEWS has no desire to do any man an injustice.

Nearly all of the racers were speeding, yesterday, on the beach.

The music at the different churches, yesterday, was above the average. At the Episcopal church a voluntary, "The Plains of Peace," by Mrs. Mary Jacobs Waite, was excellently rendered.

Bookmakers Will be Here.

Many members of the Metropolitan Turf Association will be in Daytona during the automobile races to lay bets on the events. It will be hard to pick the winners of races in which the elements of danger figure so prominently.

A Limerick.

(By the Fool Killer's Victim.)

Barney went for a ride by the Atlantic And said, with a manner quite pedantic, "I'll know how it feels To run on two wheels," But he stopped her with motions quite frantic.

One hundred and seventy poll tax receipts were issued Friday by County Tax Collector Smith for the residents of Daytona. Saturday was the last day on which to pay poll tax in order to vote in the coming city election.

"Packed houses was the state of affairs at Miles Orton's show both at the performances of the afternoon and evening. Much was expected of the performance, and no one came away disappointed. The show proved to be a decided revelation to all who had the pleasure of witnessing the big program of events."—Evening Times, Cumberland, Md.

37 SECONDS BEATS THE RECORD

Bowden in a 60 h. p. Mercedes Makes a Mile in Unofficial Time Of 37 Seconds.

When the northeastern now prevailing ceases, the beach will undoubtedly be as fast, if not faster, than it was last year. Even in its present condition Barney Oldfield, with his Green Dragon, covered a mile in :40.4, and had the accident not occurred, much better time would have been made.

H. L. Bowden, with his 90 h. p. Mercedes, the Flying Dutchman, covered a mile yesterday morning in 37 seconds. This, of course, is not an official record, but it indicates what speed may be obtained in the official races.

Mr. Bowden has a 120 h. p. Mercedes, the longest car ever seen here, which has not yet been out for trial. It is thought that this powerful racer will reduce this trial speed record several seconds. Racers who ought to know what they are talking about are now predicting an official mile record being made of 32 seconds or even better.

The run made yesterday was under the same prevailing conditions as obtained last year when Vanderbilt made the world's record of 39. A strong northeaster was blowing and the beach was in fine condition, though somewhat slower than last year.

The Miami Metropolis has changed hands, the property passing into the hands of the Dean Brothers, of the West Palm Beach News and a newspaper man from Alabama.

The Daytona DAILY NEWS has made its appearance for the season and is brim full of spicy news. The DAILY NEWS is published during January, February and March by Editor Crouch of the GAZETTE-NEWS. —De Land Record.

An Old Favorite

ONWARD, CHRISTIAN SOLDIERS

By Rev. Sabine Baring-Gould

THE Rev. Sabine Baring-Gould, author and traveler (born 1834), holds high rank among popular living English writers. The list of his books in prose and verse contains more than eighty titles and covers a wide variety of religious and secular topics. The hymn given below is one of a large number written by Mr. Baring-Gould and has been exceedingly popular as a marching song for religious bodies.

ONWARD, Christian soldiers,

Marching as to war,
With the cross of Jesus
Going on before,
Christ, the royal master,
Leads against the foe;
Forward into battle,
See, his banners go.

Like a mighty army
Moves the Church of God;
Brothers, we are treading
Where the saints have trod;
We are not divided—
All one body we,
One in hope and doctrine,
One in charity.

Crowns and thrones may perish,
Kingdoms rise and wane,
But the Church of Jesus
Constant will remain;
Gates of hell can never
Gainsay that Church prevail;
We have Christ's own promise,
And that cannot fail.

Onward, then, ye people:
Join our happy throng;
Blend with ours your voices,
In triumph song—
Glory, laud, and honor
Unto Christ the King,
This through countless ages
Men and angels sing.

FAST TIME MADE BY PEERLESS

Touring Car in its Run From Daytona to DeLand, Time One Hour and Twenty Minutes.

As stated in Saturday's DAILY NEWS, the big Peerless touring car, driven by Barney Oldfield, made the run to DeLand in two hours and twenty minutes, the DAILY NEWS taking the starting time and getting the finish by wire from DeLand.

This record, while better than any known to have been made, not fast for a car of this make, the slow time being due to ignorance of the road by the famous chauffeur and then, too, Mr. Oldfield had trouble with a tire, which had to be replaced.

On the return trip, however, the remarkable time of one hour and twenty minutes was made. After seating the party in the car, Mr. Oldfield called up the DAILY NEWS office from Cottage Armas, DeLand, and said, "We are starting." The time was then 2:40 p. m. At 4:00 p. m. the reporter heard the tooting of a horn and looking out, was surprised to see W. H. Peters and Barney frantically waving at him.

The distance from here to DeLand is said to be anywhere from 21 to 25 miles. We are unable to give the exact mileage, but will soon have the distance positively known, if a road-meter tells the truth.
